### **Dedication in memory of Jeanne Le Surf**

The Area is paying for two kissing gates to replace stiles on public paths on the Mannington Estate in memory of Jeanne Le Surf who died a little over a year ago. Jeanne wrote weekly walk articles for the Eastern Evening News for about 40 years and was the Norfolk Area Footpath Secretary for several more. The gates will be dedicated during a morning walk on Thursday 11th April and everyone is invited to come along. Details are in the Wensum Group section of this programme.

### **Norfolk Lowland Search & Rescue**

We have been asked if anyone would like to volunteer to assist with training scenting dogs. They need people to hide for the trainee dogs to find. This will be in the Breckland area (to begin with.)

They are looking for people who can spare an hour or two, once a week.

For more information, please speak to Steve Swallow on 07795 466007 .

<p>In the new style walk listings for Norwich &amp; Leg Stretchers, a dog symbol represents a dog friendly walk, and a castle symbol represents a walk with historic interests.</p>
---

It is well known that Norfolk County Council's budget has been cut year on year for some time now, and the amount it has available is much less than it was a few years ago. This is equally true of the money for maintenance work on our public rights of way network. Amongst other effects, it has meant that responses to reports of problems on the network are less than ideal. Some time ago, an informal survey amongst members indicated a significant loss of confidence in the system of reporting problems to NCC, partly because of the complexity and poor functioning of the system, and partly because it seemed that often, reports made didn't result in action anyway. The Ramblers, partly through the PRoW subgroup of the Norfolk Local Access Forum, has been pressing for improvements in this, and although we're still a long way from the ideal response levels we would want, the system has been much improved and made more user friendly. By way of a summary, if you use the on line system (details on the front cover) you can report the exact location of the problem by placing a pin on a map, and, if you elect to register (a painless process), then the system will give you updates on how and when the issue is being dealt with. Initially, these updates were not always very clear, but the facility has now been added to enable the responding officer to write a short explanatory note in addition to the limited pre-determined category that was the only response available before. All in all, the whole system is much improved, and the more it is used, the greater will be the impetus for further improvement.

**I am therefore strongly encouraging everyone who meets a problem, to report it**, ideally through this system - if we don't report it, how can we expect NCC to do anything about it? In addition, if the officers can say that they are dealing with 1000 problems instead of 100, they have a case to request more resources. (I'm not arguing for reporting trivial issues, but always to report significant problems.) And if using the system itself throws up problems at any point, please let me and Ian know - we may well have chance to feed back and get further changes.

## Hike Norfolk

Hike Norfolk is simply great walks, great events and great people. Come and join us for one of our interesting walks or one of many social events, fun and exciting for everybody! All brave walkers welcome.

Last few months we've been busier than ever participating in the Ramblers Winter Walks Festival between 23<sup>rd</sup> December and 6<sup>th</sup> January. Hike Norfolk got 30 people on some of their walks, of which we've put on seven across the festival. We have participated in 'Time to Talk Day' on 7<sup>th</sup> February offering a chance to walk and talk for anybody feeling lonely and also led two walks on 18<sup>th</sup> February for UEA 'Do something Different Festival' for students to enjoy outdoors with us. Our group is constantly growing and on the lookout for new brave walkers to join our ranks.

We have a lot of exciting walks coming in March and few upcoming trips including Poland (Krakow) and Ireland. Our walks programme is constantly growing and evolving. Be sure to check links below regularly as we add new walks every week on our [Meetup.com](https://www.meetup.com/hikenorfolk/) page and Ramblers website:

Check upcoming walks and events here:

Here is a link to a handy calendar of our events. Nights out and monthly meals are filling up very quickly!

You can find all the news and pictures from walks on our Facebook page:

Questions, ideas or suggestions always welcome! We are always keen on hearing from our members: [baniaka@gmail.com](mailto:baniaka@gmail.com)

**Group walks on the Ramblers website.**

All our walks are included on the Ramblers website and you can find any last minute changes there (happily this rarely happens) plus a map showing the start point, and the start point postcode. There may also be extra walks that came in too late to be included in this printed programme so do check from time to time.

To find the programme online look up [www.ramblers.org.uk/southern-norfolk](http://www.ramblers.org.uk/southern-norfolk) or type in

**Southern Norfolk Ramblers** on Google. To get the map and other details click on the walk's title in the blue area in the bottom right hand section of the screen.

## BRECKLAND SHORT BRISK WALKS

Our walks in Breckland are short but brisk. We encourage walkers to walk at their own pace with a front and back marker. We do not stop during the walk, but there is usually a welcome stop for coffee or tea at the end of the walk. There is no need to book – just ensure you have your membership card with you and arrive in good time to hear the pre-walk introduction. You are welcome to come for a taster walk first to see you like it! A good pair of walking shoes and adequate outdoor clothing is all that is needed as on occasions it can be wet and muddy. Postcodes shown on the schedule are as near as we can get them. Grid references have been provided in some cases. In very wet weather we might have to change the normal routes for safety reasons. However, the meeting places will be the same. Walks may have to be cancelled in very bad weather...please phone or email on the morning if in doubt.
